

Project Share

You can help
light up a home
by participating
in Project Share.

Clay Electric Cooperative, Inc.

A Touchstone Energy® Cooperative

You can make a difference with Project Share

Sometimes it's hard to make ends meet even with the most careful planning. Hard financial times may be caused by a sudden illness or accident, lay-off or some other unexpected tragedy. If it has ever happened to your family, you know how much you appreciated the help of a neighbor or friend... or how much you missed it if help was not available.

Now you can assist other Clay Electric members when they need a special helping hand by participating in Clay Electric's Project Share program administered by the Salvation Army.

By designating a tax-deductible amount to be added to your electric bill each month or by sending a one-time donation, you can help others keep their lights on when times are tough.

If you would like to participate in Project Share, please call your local district office or complete the form on the opposite page and enclose it with your next bill payment.

The form may also be mailed separately at any time to: Clay Electric Cooperative, Inc., Attn: Project Share, P.O. Box 308, Keystone Heights, FL 32656-0308

YES, I want to contribute to Project Share!

I would like to donate monthly

___ \$1 ___ \$2 ___ \$5 ___ \$10 ___ \$ ___

to Project Share

(must be in whole dollar amounts.)

I would like to donate a one-time amount of \$ _____ to Project Share. Enclosed is a separate check for that amount payable to: Clay Electric/Project Share.

Name: _____

Customer #: _____

You may begin participation in Project Share at any time by returning this reply card or by calling and signing up over the phone. Your tax-deductible contribution(s) to Project Share are voluntary and you may end participation at any time by contacting the co-op.

Members donating a regular monthly amount will find the donation amount itemized on their electric bill. Others desiring to make one-time contributions are asked to mail it as a separate check payable to: Clay Electric/Project Share.

Clay Electric will not claim any portion of the donated funds. The funds are only for the benefit of Clay Electric members and will be distributed according to the financial need criteria established by the Salvation Army.
