March electric bills reflect entitled Capital Credits refunds

As announced in the February Power Line, the board of trustees approved a \$5 million Capital Credits refund for co-op members who received service between 1986 and 2009. Current members entitled to a refund are receiving a credit on their March electric bill.

The amount of refund depends upon how much electricity the member purchased during the applicable period.

Issuing a credit on an electric bill helps reduce expenses such as check printing, envelopes, postage, bank fees, etc.

As a note of explanation for members with more than one account with the same member number, the account with the most recent connection date will have the entire refund posted to its electric bill.

Former members entitled to a refund will be mailed a check in mid-March. It's important to keep Clay Electric informed of address changes if you move off the co-op's lines in the future so you'll receive your entitled Capital Credits refunds.

Capital Credits are one of the important benefits of receiving service from a non-profit electric cooperative.

If you should have any questions about Capital Credits, please contact your nearest district office.

Disabled citizens encouraged to register with emergency agencies

In 1980, the Florida Legislature passed an act relating to disaster preparedness which directs local emergency management agencies to provide for the voluntary registration of disabled citizens in case of disaster.

Section 1 of the law states: *In order to meet the special needs of persons who would need assistance during evacuations and sheltering because of physical or mental handicaps, each local emergency management agency in the state shall maintain a registry of disabled persons located within the jurisdiction of the local agency. The registration shall identify those persons in need of assistance and plan for resource allocation to meet those identified needs.*

Thus, if you are a disabled citizen who would need assistance in case of an evacuation, you should contact your local emergency management agency for registration purposes.

Some of these counties also have registration forms on their emergency management websites. To locate individual county emergency management information, www.floridadisaster.org/Disability/snshelterlist.html
